

HADDONFIELD CREW CLUB 2007-2008

FEE SCHEDULE – www.haddonfieldcrew.org

Welcome to the 2007-2008 rowing season! This is Haddonfield's fifth season as a stand-alone club. National estimates have calculated the cost per rower in a typical Crew Club to be in excess of \$1,500. Through the use of used equipment, generous donations of labor by our member-parents, tireless efforts of our coaches, scheduling of practice facilities within the Haddonfield school district, membership volunteerism and fundraising efforts, we have been able to reduce our program costs per rower for 2008 substantially below that national average, to \$850!

Your assistance in keeping the program affordable is necessary. HCC needs you to volunteer for committee work and/or 'donation' of equipment. Did you purchase an ergometer last year that we could use during the season? These donations could seriously reduce our capital requirements and therefore keep the cost per rower down.

We have significantly decreased the cost per rower this year, down \$100 versus last year, but this continued cost reduction is dependant in part on the HCC maintaining the same level of volunteerism and fund raising as in the past. If these levels are not maintained, annual dues may need to be adjusted to compensate for that fact. We also expect that based upon HCC needs and annual budget fluctuations, HCC annual dues may need to be adjusted. A Finance Committee will meet annually to review the budget and their recommendation will be presented to the Board for vote.

Thank you parents and rowers for your efforts toward a successful 2008 season!

Program Cost: \$850 Each Rower

Payment Schedule: Members may make one full payment up front or two payments as follows:

December 4, 2007	Initial Payment	\$425
February 5, 2007	Final Payment	\$425

Note! There will be a **\$50 late charge** for any payment that is not made by the above dates. For your convenience our HCC General Membership Meetings and the payment due dates coincide. If mailing your payments, please note that any payments postmarked after the above due dates will be invoiced for a late fee.

A failure to meet the final payment or any assessed late fees by the first regatta in March will result in the rower being excused from HCC and a forfeiture of any paid fees.
